Safe and Iron Company: Gentlemen: We subjected the sample of a new combination of metals for safes sent us by you to as thorough tests of the drill as we could, and failed to penetrate the metal at all. We think it would be impossible for burglars to enter the safes made of this metal by means of the drill during the longest time in ordinary business they could have access to them-in fact, that the metal is proof against the drill. Truly yours, N. S. BOUTON & CO.

OFFICE NORTHWESTERN MANUF'G CO. CHICAGO, March 11, 1867. MESSRS, MURRAY & WINNE, Agents Lillie Safe and Iron Company:

Gentlemen: We subjected the sample you furnished us (of a new combination of metals to be used in the manufacture of Lallie's Safes) to the severest tests of our Power Drill and with the be-t tempered drills our skill and experience could produce.

After operating upon it with different drills several hours without penetrating it more than half an inch and at that point unable to make further progress, we became satisfied that, if not utterly impenetrable, it would at least require days of time, a large number of drills and machine power to penetrate through it; and that it was entirely out of the power of even the most skillful burglar to penetrate a safe made of this material. BULL'S CEDRON BITTERS! AUTHENTIC DOCUMENTS.

ARKANSAS HEARD FROM.

TESTIMONY OF MEDICAL MEN.

Stony Point, White Co., Ark., May 23, '66. DR. JOHN BULL—Dear Sir; - Last February I was in Louisville purchasing drugs, and I got some of your Sarsaparilla and Cedron Bit-Dr. Gist, who has been in bad health, has

tried them, and he also improved. My son-in-law, who was with rie in the store, has been down with rheumatism for sometime, commenced on Bitters and soon found his general health improved. Dr. Coffee, who has been in bad health for several years—stomach and liver affected—he improved very much by the use of your Bitters. Indeed the Cedron Bitters has given you great popularity in this settlement. I think I could sell a great quantity of your medi-cines this fall—especially of your Cedron Bitters and Sarsaparilla. Ship me via Memphis, care of Rickett & Neely. Respectfully, C. B. WALKER.

At thirteen years of age he had a chronic diarrhea and scrofula. for which I gave him your Sarsaparilla. It cured him. I have for ten years recommended it to many in New York, Ohio and Iowa, for scrofula, fever sores, and general debility. Perfect success has attended it. The cures effected in some ca es of scrofula and fever sores were almost miraculous. I am very anxious for my son to again have recourse to your Sarsaparilla.
